## HONOR SOCIETY

### **All-USA & Coca-Cola Community College Academic Team Scholarship Programs** **Fall Scholarship Application** **Acceptable Forms of Citizenship**

All scholarships included on Phi Theta Kappa's Fall Scholarship Application are open to students with a variety of citizenship statuses and applicants are required to provide proof of citizenship documentation. Note that there are several scholarships administered on the Fall Scholarship Application that may have unique citizenship status restrictions. The All-USA Community College Academic Team Program, Guistwhite and Hites Scholarships allows for all forms of legal residency. The Coca-Cola Community College Academic Team Program and the GEICO Pathway to Completion Bachelor's Degree Scholarship generally follow the same citizenship guidelines as the federal government in awarding student aid. If you are a Phi Theta Kappa member attending a non-U.S. college where a Phi Theta Kappa chapter exists, you must hold permanent or temporary residency in the country of the college that is nominating you. Participating All-State Programs may accept nominees with varying citizenship statuses. For more information about the citizenship statuses accepted for All-State Programs, contact your All-State Coordinator.

Citizenship Eligibility noted within the Fall Scholarship Application pertains to scholarships directly administered by Phi Theta Kappa and does not confer, suggest or imply citizenship eligibility for scholarships administered through All-State Academic Team Programs, which are administered and awarded by the respective state.

**Upon request, applicants are required to provide a copy of one or more of the document(s) listed below based on the citizenship status selected on your application.**

- US Citizen (US Birth Certificate or US Passport)
- US Permanent Resident (Permanent Resident Card/Alien Registration Card 'Green Card', I-151 or I-551)
