PHI THETA KAPPA AWARDS

Phi Theta Kappa’s first awards were presented for individual prose and poetry entries. The earliest chapter awards included:

• Tri-Forum Award – for an outstanding project on the Phi Theta Kappa Honors Theme, forerunner of the Honors Study Topic
• Mosal Cup – for the best yearbook entry
• Gamma Sigma Travel Award – recognizing the chapter who traveled the greatest distance to the Annual Convention
• Outstanding Male and Female Sponsor Awards (sponsors are now known as advisors)

By the mid-1970s, awards were also presented to the top 10 chapters and advisors, and to the most distinguished member, advisor, alumni advisor, college president and alumnus. Many awards were presented by friends of Phi Theta Kappa, by advisors, and by chapters to recognize specific achievements. Additional creative awards were presented to entries in the categories of art and music.

In 1988 the first Awards Task Force was appointed and charged to bring equity and specificity to award offerings. From this Task Force came the Five Star Chapter Plan and Hallmark Awards Program.

The Five Star Chapter Plan was established to provide a step-by-step guide for building a strong chapter and an understanding of the level of programming needed to be competitive against other chapters. Chapters are recognized for Five Star accomplishments but do not compete against other chapters for recognition.

The Hallmark Awards introduced the first recognitions based on the Society’s Hallmarks of Scholarship, Leadership, Service, and Fellowship, incorporating the mission of the organization. The first standardized awards application process was established, criteria drawn, and categories developed. As a result, more chapters had opportunity for recognition of chapter programming achievement and more members, chapter officers, and advisors had increased opportunities for individual recognition.

Chapter rankings in the Hallmark Awards are also provided to regions for use in their awards programs.

Rubrics for Hallmark Awards were introduced in 2005, following extensive study by a second task force, and increased the parity of the competition by establishing specific criteria for scoring award applications. As of 2011, the Hallmark Award applications have migrated to an entirely online process, which resulted in an increase in participation.

A total of 2,359 entries were received in the 2018 Hallmark Awards competition. The award recipients, in the chapter, region, and individual categories, reflect a wide geographic and demographic diversity that mirrors the Society overall.

Alliance for Educational Excellence Award

The Alliance for Educational Excellence Award is presented to an organization, association, or foundation for distinguished contribution further excellence in education on a national or international level. This award is presented only in those years when the contribution to excellence meets the highest of standards and yields substantial impact.

TEK Productions

Phi Theta Kappa’s relationship with TEK Productions began eight years ago in Orlando, Florida when TEK began producing the largest and most outward-facing event PTK hosts each year—Annual Convention. TEK works alongside our staff, coordinates over 20 vendors, and provides in-kind support of their time and efforts to make certain our convention is the best and most professional experience it can possibly be for our attendees.

Over the years, the TEK team has become an extended part of the PTK staff. They have a clear understanding of the Society’s mission and they work just as hard as we do to make Convention a special and memorable experience for the members, college leaders, advisors, and friends of Phi Theta Kappa.
International Honorary Member

Considered Phi Theta Kappa’s highest honor for a non-member, the International Honorary Member award is not given every year, but only when the Society identifies an individual who has provided extraordinary support to Phi Theta Kappa.

Dr. Evelyn Waiwaiole
Center for Community College Student Engagement
Executive Director

Dr. Evelyn Waiwaiole is Executive Director of the Center for Community College Student Engagement (CCCSE). Prior to joining CCCSE, Waiwaiole was the Suanne Davis Roueche National Institute for Staff and Organizational Development (NISOD) director and lecturer in the College of Education at the University of Texas (UT). She has also served as associate director of NISOD, project manager for the MetLife Foundation Initiative on Student Success, college relations coordinator for the Community College Survey of Student Engagement (CCSSE), and policy analyst for the Center for Community College Policy at the Education Commission of the States.

Waiwaiole was recognized as a 2002-2003 Associates Fellow with the National Center for Public Policy and Higher Education. She has also served on the Education Testing Service National Community College Advisory Committee and the CCSSE National Advisory Board. Waiwaiole has written articles on student success, retention, and persistence and was recognized as a Distinguished Graduate of UT’s Community College Leadership Program.

She earned a doctorate from UT in higher education administration, with a specialization in community college leadership; a master’s in economics from The University of Oklahoma; and a bachelor’s degree in psychology from Texas A&M University.
Board of Directors Alumni Achievement Award

The Board of Directors Alumni Achievement Award recognizes Society alumni who continue to support the mission Phi Theta Kappa on chapter, regional, and international levels long after their community college experience ends.

Deb Kraufman was inducted into the Alpha Lambda Xi Chapter of Phi Theta Kappa at Lone Star College-Kingwood in 2002. More than 15 years later, Kraufman continues to be an enthusiastic and dedicated advocate for the Society.

“Deb has served at every level of the organization, and I am so grateful for all she has done, and continues to do, to support the mission and members of PTK,” said Phi Theta Kappa President and CEO Dr. Lynn Tincher-Ladner.

As a member, Kraufman was named a Distinguished Chapter President, Distinguished Regional Officer, and a member of the Texas Hall of Honor. She earned an associate degree in design and visual communications from Lone Star College-Kingwood, a bachelor’s degree in technology supervision from the University of Houston, and a master’s degree in leadership development from Walden University. Kraufman worked in the Lone Star College system from 2002 to 2017, most recently as executive director of organizational development.

As a community college employee, Kraufman reengaged with Phi Theta Kappa. She began serving as a chapter advisor in 2007 and was named Texas Regional Coordinator in 2011.
