

2019 PHI THETA KAPPA CONVENTION PROGRAM Advertising Specs

- Ads must be created in Adobe Illustrator, Photoshop, or InDesign and saved in a high resolution (300 dpi) format. All files must be flattened (in a single layer). Phi Theta Kappa cannot guarantee correct output from any other applications (such as Adobe PageMaker or any word processing applications).
- Acceptable formats are high resolution TIFF, EPS, JPEG, or PDF files.
- All fonts must be converted to lines/curves or rasterized.
- All files must be 4-color process, CMYK or RGB. No spot colors accepted. No bleeds.
- All images used, such as logos and photography, must be high resolution (300 dpi) and free of copyright infringements.
- Do not nest EPS file into other EPS files. Raster images used in EPS files must be embedded.
- All required trapping must be included in submitted file(s).

ELECTRONIC SUBMISSIONS:

Digital submissions may be made via e-mail to: tracy.kleven@ptk.org

Attention 2019 Phi Theta Kappa convention program advertising.
