**For International Vice President of Division One**  
*Beta Nu Pi, Marion Technical College, Marion, Ohio*

## MAKE BIG CHANGE WITH *BIG SCHOP*

Andrew Schoppelrei spent 13 years of his life living on the west side of Columbus, Ohio. Then, he was uprooted and moved to the countryside near a small rural town. Coming from two completely different cultures gives Andrew insight into the importance of diversity and having an open mind.

Throughout Andrew's life, he has met adversity and challenges head-on which trailblazes a path for future students and alumni alike. Andrew's hard work and dedication can be an inspiration to all of us. As Division I Vice President, Andrew will advocate for students and create a judgment-free space for discussion to take place openly.
