KEZIAH'S LIGHT

I was born and raised on the island of O'ahu in Hawai'i. I am a proud Marauder of Waipahu High School, class of 2023. I am also enrolled in their early college program and on track to achieve my Associates in Arts. My goal is to attend a prestigious university and obtain a Bachelor's in Business Management.

My dream is to build a business empire that can grow internationally. I want to launch a company that serves its mission globally and supports the local community. Although I am still working on the specifics of my business plan, my objective will always remain with a Christ-centered purpose.

Phi Theta Kappa has inspired me to go beyond expectations and to strive for my goals. The organization has provided me with resources to build up my strengths and conquer my weaknesses. This year, I was blessed with the privilege to serve as a Pacific Region President in PTK.

As International President, I wish to inspire members and young Keiki (youth) to find their light through Phi Theta Kappa and achieve their greatness.

SHINE YOUR LIGHT

Phi Theta Kappa embraces diversity, unity, and proves that everyone has something special to bring to the table. PTK is a vibrant community. Each and every individual has their own gift, story, and **light**. This group has helped me **SHINE MY LIGHT** and give clarity towards my purpose in this world. I believe that PTK can help uplift the next generation towards a brighter future.

MY HEART IN FELLOWSHIP

In the Pacific region, we are challenged with our chapters' great distances and vast time zones. However, I am a firm believer in building relationships.

My mission is to continue making connections and activities for our chapters to bond and have Ohana (family) values. I am passionate to motivate, inspire, and encourage everyone to SHINE THEIR LIGHT.
