

JASMINE GARCIA

Running for Division IV Vice
President
Phi Theta Kappa- Alpha Chi Chi
Chapter
Mohave Community College
Lake Havasu City, Arizona

I'm seeking office in hopes of creating positive change within and outside of my community. I am currently holding three chapter officer positions on my campus, which include being Phi Theta Kappa Treasurer, Arts Club Vice-President, and Student Activities Council President. The reason I do what I do is fairly simple: I enjoy helping people and watching others succeed. My strengths include modeling leadership, mentoring, teaching, kindness, compassion, and inclusiveness. I have several different careers I want to experience in my lifetime; however, I am passionate about becoming a Mathematics professor and eventually a Dean of Instruction at an institution.
