## Division II Vice-President Monserrat Rivero-Sanchez

**"None of us are as smart as all of us"**

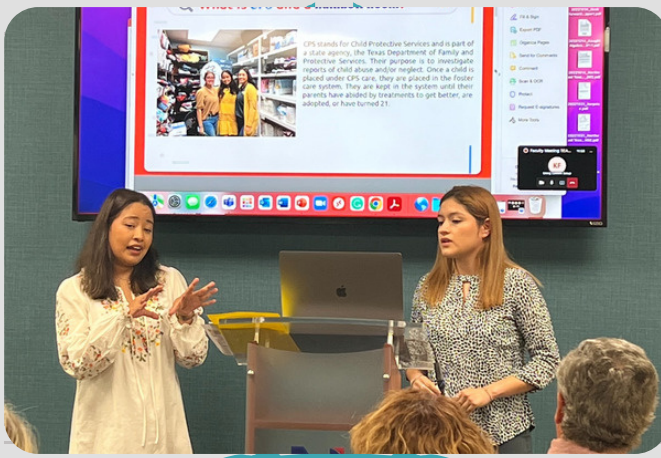

Hola y'all! I'm Monserrat Rivero-Sanchez, I was born and raised in Acapulco, Mexico.

**I aspire to support and be an advocate for students of all backgrounds, and I invite you to do the same!**

By running for International Officer, I will have an opportunity to reach out to a larger audience and be able to share all of our stories and make our voices be heard. No matter what challenges we face, we can learn from what those before us have overcome.

It may be a difficult road ahead, but as long as we work together, we can overcome any obstacle, no matter our circumstances or backgrounds.

My passion lies in being a valuable asset wherever I go, making a positive impact on my community, and fostering a lasting legacy for future generations. This commitment is my driving force behind my aspiration to become a teacher.

Ultimately, I want to earn a Masters of Education in Curriculum and Instruction with a specialized focus on Bilingual Education. With this educational background, I aim to contribute significantly to the field, particularly in my envisioned role as a Bilingual and Multicultural Curriculum Developer at the Texas Education Agency (TEA).

My goal is to play a pivotal role in shaping educational initiatives and ensuring cultural diversity and linguistic inclusivity, all of which are integral components of the curriculum.

**I am dedicated to making a meaningful difference in the educational landscape and leaving a positive imprint for the benefit of generations to come.**

**Let's Connect!**
