

Regional Conference Tentative Schedule 2025

Friday, May 16

- **4:00 PM - 6:00 PM**
 - Registration Open | Location Mainstreet in the Vistatech Center
 - College Fair (Maybe will just have them sponsor events and do a quick talk before, or may not invite out. Need to check with Michigan Region)
 - Not sure that the colleges get a whole lot of play on these events as most students already have an idea of where they are going.
 - Candidate Meeting – Without colleges there, the candidates will get more attention.
 - (Activity, maybe food demo to draw people in sooner to be on time? The demo classroom hold approx. 85- 90 with standing room 4:30 – 5:15 pm show if we want it.)

- **6:00 PM - 8:00 PM**
 - General Session 1 | Kehrl Auditorium
 - Guest speaker from NASA – former student with the Omicron Iota Chapter – Works on the James Webb project. Will do 20 minutes about his work with 10 minutes after.

- **8:00 PM - 9:00 PM**
 - Political Rally – lower level of the Vistatech in the SAO Student lounge area.

- **8:00 PM - 11:30 PM**
 - Mixer | Lower Waterman
 - Edge Competition (Was on last years, don't know what it is) – we can make room in one of our meeting rooms in this area if you want to expand.
 - For the fellowship: Plan will be to bring in Pizza and some snacks
 - Other attractions include:
 - Giant Jenga and other board games that folks want to play
 - Caricature Artist
 - Tarot Card Reader
 - Opportunity to paint on canvas with a coach showing what everyone will be painting(limited space, so we might have folks rsvp for this one so we can accommodate the early registrants that want to participate.
 - Karaoke with guitar accompaniment.

- Possible Mario Kart competition with Switches

Saturday, May 17
