# Provisional Membership

Early Start | Strong Finish

Your PTK journey begins today.

## What is Provisional Membership?

Provisional membership is for students who aren't yet eligible for full PTK membership — maybe you're brand new to college or still working toward the GPA requirement. You can attend meetings, volunteer for chapter projects, and experience PTK early while you work toward eligibility.

## Why Join?

- **Be part of PTK sooner:** Don't wait to get connected.
- **Get a head start:** Explore PTK's benefits and start building connections.
- **Grow with us:** Feel at home and ready to lead when induction comes.

## Your Path to Full Membership

1. **Jump in now:** Attend meetings and volunteer as a provisional member.
2. **Stay on track academically:** Work toward eligibility with advisor support.
3. **Celebrate your induction:** Get recognized once you meet requirements.
4. **Go further:** Apply for scholarships and leadership opportunities.

**Talk to your chapter advisor to join as a provisional member!**
