Phi Theta Kappa University Partner Scholarships

PTK's University and four-year college partners know the value PTK members bring to their campuses—both academically, personally professionally, and socially.

Here is a breakdown of what our partners offer in scholarships exclusive to our members:

Total Number of Scholarships	806
Average Scholarship	\$4,617
Range of Awards	\$250 - \$39,700
Total Transfer Scholarships (Counted Once)	\$3,698,413
Transfer Rate of PTK Members	69%
Percent of Members Eligible Based on Status	71%
Percent of Scholarships Renewable	84%
Completion Rate of BS Degrees for PTK	79%

Below are the estimated total exclusive scholarship funds to PTK Members transferring to PTK university scholarship partner providers.¹

Who are our partners? Check out university transfer scholarship opportunities [by clicking here](#).

Year 1 Calculated By: Counts of Members x Percent Eligible x Transfer Rate

Year 2 Calculated By: Year 1 Scholarships x Percent Renewable x BS Completion Rate

Year 1 Awards (Junior Year²):	\$230 Million
Year 2 (Senior Year):	\$154 Million
Total for 2 Years:	\$384 Million

¹ The PTK-only portion of your transfer scholarship very often stacks on with other transfer scholarships that do not require you to be a PTK member.

² Colleges generally do not require you to complete your associate degree prior to transfer, but it is strongly encouraged. Transfer scholarships are generally only available for 60 remaining hours (or 2 years) post-transfer. However, some colleges do award funds into a 3rd year at the transfer institution.
